NOTICE.

NOTICE is hereby given that application will be made to the Legislative Assembly of the Province of British Columbia at its next session, on behalf of the City of Vancouver, for an Act to further amend the "Vancouver Incorporation Act, 1900," and amending Acts in manner following, that is to say:—

1. To amend subsection (2) of section 5 of the "Vancouver Incorporation Act, 1900" (hereinafter called "the principal Act"), by inserting after the word "as," in the first line thereof, the word "sole."

To amend section 6 of the principal Act by striking out the word "jointly" in the first line thereof.

To amend the principal Act by adding after section 43 thereof the following section 43A:—

"43A. Where the Assessor or Assessors, after the passing of the 'Vancouver Incorporation Act, 1900, Amendment Act, 1915,' shall enter the name of any person upon the assessment roll as 'owner' by reason of such person being the holder of an agreement to purchase lands, or the assignee of such agreement as provided in section 229A hereof, such Assessor or Assessors shall designate such person on such roll as 'owner by agreement.'"

To amend section 74 of the principal Act by inserting after the words "tenant (T)," wherever same occur therein, the words "owner under agreement (O.A.)"; and by adding at the end thereof the words "Provided that when any such owner is the holder of the last agreement to purchase the land or real property in respect of which his or her name is to be entered as a voter, or is the last assignee of said agreement, such owner shall not be entered by the Clerk upon said list as a voter unless he or she shall, within the time limited by section 73 of this Act for making such list, have filed with the City Clerk a statutory declaration proving that he or she is the holder of the last agreement to purchase such land or real property, or is the last assignee thereof, by the terms of which such holder or assignee is liable to pay the taxes, and is a British subject."

To amend the principal Act by adding after section 85 thereof the following section 85A:—

"85A. Notwithstanding anything hereinbefore contained, the Revising Judge shall not place or enter upon the list any holder of an agreement to purchase any land or real property or assignee thereof, unless such holder shall have filed with such Revising Judge or the City Clerk a statutory declaration, or affidavit, made before the Mayor, City Clerk, or a Commissioner for taking Affidavits, or adduced evidence under oath, proving that he or she is the holder of the last agreement to purchase such land or real property, or the last assignee thereof, by the terms of which such holder or assignee is liable to pay the taxes, and is a British subject."

To amend section 103 of the principal Act by adding at the end of the seventh line thereof the words following: "Provided that when any such owner is the holder of the last agreement to purchase such real property, or the last assignee of said agreement, such owner shall not have such

right of voting on any such by-law unless he or she shall have filed with the City Clerk, before the City Clerk shall have completed and closed the list of voters entered to vote on such by-law, a statutory declaration proving that he or she is the holder of the last agreement to purchase such real property, or is the last assignee thereof, by the terms of which such holder or assignee is liable to pay the taxes, and is a British subject."

To amend the principal Act by adding after section 229 thereof as section 229A thereof the following:—

"229A. The word 'owner,' wherever same occurs in subsection (1) of section 5 and sections 39, 43, 63, 74, 85, and 103 of this Act, means and shall include any person holding an estate for life or of inheritance (in possession) in lands or real property within the city, unless such holder has entered into an agreement for sale of such lands or real property by the terms of which the purchaser shall pay the taxes, in which case 'owner' shall mean and include the person holding the last agreement to purchase said lands or real property or the last assignee of such agreement under which such holder or assignee is liable to pay the taxes thereon."

3. To amend the principal Act by adding after section 102 thereof the following section 102A:—

"102A. Notwithstanding anything in this Act contained, in case any person who appears by the assessment roll to be entitled to be entered upon the voters' list as a voter, but who has been inadvertently left off the voters' list by the City Clerk when making up the voters' list, and who shall on any election-day prove under oath to the satisfaction of the City Clerk that he or she is upon the assessment roll and was entitled to be entered upon such voters' list by the City Clerk as a voter, and that he or she is still entitled to be entered upon such voters' list as a voter, then the City Clerk may give a certificate under his hand to any Deputy Returning Officer, such certificate to state that the person therein named is entitled to vote and to be entered upon the voters' list as a voter in respect of property to be named in such certificate; and upon presentation of such certificate to the Deputy Returning Officer of the ward in which such property is situate, such voter shall be entitled to vote at such election in like manner as if he or she had been originally entered upon the voters' list by the City Clerk: Provided, however, that no such certificate shall be given to any person so as to entitle him or her to, nor shall any person be entitled to, vote more than once at such election for mayor, members of the Licensing Board, members of the Park Board, or school trustees."

4. To amend section 119 of the principal Act by striking out the words "held and used for farming purposes" in the seventh and eighth lines thereof, and inserting in lieu thereof the words "either within or without the city."

"(17a.) For leasing, constructing, purchasing, acquiring, owning, equipping, and operating motor-omnibus lines and motor-omnibuses for the conveyance of passengers or freight, or both, either within or without or partly within and partly without the city, and for levying, charging, and collecting tolls, fares, rates, and charges for the conveyance or carrying of any such passengers or freight, or both, thereupon or thereby: Provided that before any such motor-omnibuses or motor-omnibus line shall be operated in any municipality outside of the city, the consent of such municipality so to do shall be first obtained."

For granting to any person, firm, or corporation the right, power, and privilege, exclusive or otherwise, and on such terms as the Council of the city may deem advisable, of operating within the city motor-omnibus lines and motor-omnibuses for the carrying or conveyance of passengers or freight, or both, either within the city or partly within and partly without the city."

6 To further amend section 125 of the principal Act by adding after subsection (45a) thereof the following subsection (45b):—

"(45b.) For the charging of all persons who own or occupy property connected with any sewer or drain a reasonable rent or charge for the sewer or drain service given to such person or property by any or all sewers and drains of the city, and for providing for charging of any such rent or charge upon such property, and for the recovery of same, either from such persons or by sale of such property, in the same manner and under the same regulations as in the case of overdue taxes: Provided that the basis, manner, and method of determining what is a reasonable rent or charge as aforesaid shall be in the discretion of the Council: Provided further that the powers in this subsection mentioned may be exercised by the Council either in addition to or in substitution for any powers of a like nature hereinbefore in this section set out."

9. To further amend section 125 of the principal Act as amended by adding after subsection (135a) thereof the following as subsection (135b):—

"(135b.) (a.) For creating and establishing and defining a building-line on any street, road, or highway, or any portion of any street, road, or highway, in the city closer to the street than which building-line no building may be erected, constructed, or remain, and providing that no building may be erected, constructed, or remain closer to the street than such building-line, and for compelling the owner or owners of any land upon which any such building-line is established to move any building upon such land, erected after such line is established, back from the street to such building-line; and, upon default of such owner or owners to so move any such building, for moving such building back from the street to such building-line, and for charging such owner or owners with the costs and expenses of and incidental to such moving, and for the recovery of such costs and expenses from such owners so charged in the same manner and with the same power of recovery as in the case of overdue taxes, and making such costs and expenses a charge on the said land, with power to sell the same for the recovery of such costs and expenses in the same manner and under the same regulation as in the case of the sale of land for overdue taxes:

"(b.) The powers in subclause (a) of this subsection contained may be exercised by the Council of the city by resolution: Provided, however, that no such building-line shall be created or established unless: (1) A petition shall be presented to the Council, signed by at least two-thirds in number of the owners of all real property upon which such building-line is to be created or established, according to the last revised assessment roll of the city, such owners representing at least one-half in value of such real property—the number of such owners and the value of such real property as appears by

the last revised assessment roll as aforesaid having been first ascertained and finally determined by the City Clerk and certified by said City Clerk to the Council, and the City Clerk having also certified to the Council that such petition is sufficiently signed by such two-thirds in number of owners representing such one-half in value at least; or unless (2) the City Engineer shall recommend to the Council the creating and establishing of such a building-line, and shall in and by such recommendation certify to the Council the real property to be affected thereby, and all buildings which may be upon same and the location of such buildings upon same with relation to such proposed building-line, and the estimated cost of removal of such buildings back to said such proposed building-line: Provided, however, that no such building-line shall be created and established upon such recommendation of the City Engineer if the majority of the owners of the real property upon which such building-line is proposed to be established, representing at least one-half in value thereof, according to the last revised assessment roll of the city, shall petition to the Council, by petition filed with the City Clerk within one month after the passing of such resolution, against the establishment and creation of such building-line. In the case of such petition the City Clerk shall determine and certify to the Council the number of such owners and the value of such real property, and whether or not such petition is sufficiently signed by such a majority of owners representing such one-half in value at least."

10. To amend subsection (149a) of section 125 of the principal Act, as enacted by section 7 of the "Vancouver Incorporation Act, 1900, Amendment Act, 1913," by inserting after the word "trees," wherever same occurs therein, the word "stumps"; and by adding at the end thereof the words and figures following, that is to say: "Provided, however, that, notwithstanding anything in this Act contained, the Council may by resolution enter into agreements with owners of lands to enable the city, its officers, servants, or agents, to do and perform any such clearing, cutting-down, removing, burning, or destroying upon such terms (including the occupation and use of such lands by any person or persons whom the Council may designate) as may be agreed upon, and to charge such owners with the cost and expense of so doing, and to recover such cost and expense, and to make same a charge on such lands, with power to sell same in like manner as hereinbefore mentioned."

11. To further amend section 133 of the principal Act as amended by adding after subsection (15b) thereof the following subsections:—

"(15c.) Whenever the Council is desirous of proceeding with any work or undertaking in the pursuance of which any real property may be entered upon, taken, or used by the City in the exercise of any of its powers, or may be injuriously affected by the exercise of its powers, the Council may file plans and specifications of the work or undertaking, or certified copies thereof, with the City Clerk, who shall, on receiving the same, issue a notice setting out the Council's intention to proceed with such work or undertaking, and to enter upon, take, or use the lands necessary therefor, and that such plans and specifications have been filed with him and may be inspected at his office, and that all claims for damages by reason of the said proposed work or undertaking must be filed with him within sixty days from the service of such notice, and that such owners, occupiers, or other persons must file with the said Clerk, within the said period of sixty days, their claims for damages for any of the causes aforesaid, showing the amount thereof, or that in default thereof any claim for such damages will be barred; and he shall cause such notice to be served upon the owners and occupiers or other persons interested in the real property so to be taken, entered upon, or used as aforesaid, or which may be injuriously affected as aforesaid:

"(15d.) In case the person served as aforesaid is at the time of such service resident without the Province, a further period of thirty days shall be allowed such person to file his claim:

"(15e.) Service of any notice under this Part of this Act, except in cases of expropriation of the land, shall be deemed to be made, and shall be

effectual and binding upon all persons concerned or liable to be affected thereby, upon the city complying with the following requirements: By posting by registered mail such notice to all persons who at the time of the filing of the said plans and descriptions are registered in the Land Registry Office of the district as the owners of the land or as mortgagees, or as persons having or claiming by registration under the provisions of any Statute any charge or encumbrance upon the same, addressed to such registered owners or encumbrancers at their usual or last-known place of abode; and in the case only of the registered owner or encumbrancer being dead, and no legal representative registered, or the persons registered being not *sui juris*, then by delivering such notice to the District Registrar of the said Land Registry Office for the district, who shall forthwith enter the said notice as a notice affecting the lands in question, and also by advertising five times such notice in some daily newspaper circulating in the municipality. Every such notice shall take effect as of the date of posting aforesaid, or of last advertisement as aforesaid:

"(15f.) Every claim under this Part of this Act shall be made pursuant to the said notice, and unless made, in the case of persons resident within the Province, within sixty days after the service of such notice, or in case of persons resident outside of the Province, within the said further period of thirty days, shall be barred and extinguished, unless upon application to a Judge of the Supreme Court, or to the Judge of the County Court of the county in which such city or town or other municipality is situate, and upon giving to the said Council at least seven days' notice of such application, such Judge allows the claims to be made and served. Either party may appeal from the decision of the Judge to the Court of Appeal, but every such claim shall be absolutely barred and extinguished unless made within a period of one year from the service of the said notice:

"(15g.) If any claim is so filed within the time aforesaid, the same, unless accepted by the Council, shall forthwith be determined by arbitration under this section:

"(15h.) If any real property is entered upon, taken, or used by the municipality or injuriously affected by the municipality in the exercise of any of its powers, and the Council does not give notice under section 362 hereof, the owner may nevertheless file a claim, and the said claim shall, unless accepted by the Council within ten days thereafter, forthwith be determined by arbitration under this section:

"(15i.) The person making a claim shall deliver full particulars of the damages for which such claim is made, and the arbitrator or arbitrators, upon the hearing of the claim, shall have the same power as to the amendment generally, or to amend such claim or particulars, or any proceeding had or taken upon the hearing thereof, as a Judge would have in an action; and the arbitrator or arbitrators may, in his or their discretion, refuse at any time to hear, upon any matter or question, further evidence of a cumulative character."

12. To amend subsection (1) of section 23 of the "Vancouver Incorporation Act, 1900, Amendment Act, 1907," by inserting after the word "up," in the third line thereof, the words "widen, prolong."

To amend subsection (2) of section 23 of the "Vancouver Incorporation Act, 1900, Amendment Act, 1907," by inserting after the word "up," in the second line thereof, the words "widening, prolonging."

To amend section 23 of the "Vancouver Incorporation Act, 1900, Amendment Act, 1907," by adding at the end thereof the following subsection (4):—

"(4.) Notwithstanding anything in this Act contained, the Council, in the case of the opening-up, widening, prolonging, or extending of any street, lane, alley, or highway, may by by-law provide that the proportion of the cost of such work chargeable against the property benefited thereby shall be assessed and levied by special rate on such property according to the assessed value thereof: Provided, however, that this subsection shall not prejudice or affect the rights and powers of the Council under subsection (4) of the preceding section 22 hereof."

13. To amend the principal Act and amendments thereto so as to authorize and empower the city to issue and sell its debentures or stock in series of such length of time and nature as shall be deemed advisable, all of any one series being redeemable at the same time, with provision for redemption at any time during the period over which such series shall extend.

To amend the principal Act and the amendments thereto so as to provide, in respect to local improvement and debentures therefor, that stock, as provided by sections 124A to 124F, inclusive, of the principal Act, may be issued instead of debentures; that the city shall be liable for principal and interest to holders of such debentures or stock; that the city may pass collective or cumulative by-laws consolidating the different amounts required under different local improvement by-laws, or under different money by-laws, in a general consecutive issue or series of stock or debentures under such consolidated by-law; that the city make an estimate each year of the amount of money required to pay for the cost of local improvements during such year, and may by by-law authorize the issue and sale of debentures or stock for the purpose of raising such sum prior to completing or proceeding with the construction of such local improvements, and may also include in such by-law the amount of any debts authorized by any by-laws passed in the same year under the general borrowing powers and any debts of the city created by the Legislature, and may direct the issue in one series of the debentures or stock authorized to be issued by all or any of such by-laws with the debentures or stock to be issued for raising the amount estimated for local improvements as aforesaid, and may provide for a sinking fund, or make the debt payable by instalments of principal and interest as provided by the principal Act in regard to borrowing money, and may extend the time for payment of the debt in either of such methods for such length of time as the Council may deem necessary, notwithstanding that the frontage or property assessments in connection with such local improvements may be payable at one or more different periods, and may consolidate any such debts by one or more such by-laws, and for the purpose of making the dates of payment uniform may, without resubmitting any by-law, change the date of payment or maturity of the debentures or stock authorized to be issued by any by-law for the borrowing of money; and that, in case any such change in the payment period is made, a recomputation shall be made of the amount necessary for the annual levy of sinking fund or instalment of principal and interest, and that it shall not be necessary to submit to the electors any by-law of any nature above mentioned.

14. To repeal sections 233 to 235, inclusive, of the principal Act, as enacted by section 10 of the "Vancouver Incorporation Act, 1900, Amendment Act, 1907," and to enact in lieu thereof the following sections 233, 234, and 235:—

"233. (1.) Notwithstanding anything in this Act contained, the Council may by by-law at any time in its discretion declare that the business of the city from the commencement of the next ensuing year shall be managed by a Council, which shall be composed as follows, namely:—

"(a.) A Mayor;

"(b.) A Board of Control having a membership of four Controllers exclusive of the Mayor, who shall be Chairman of the said Board of Control;

"(c.) A number of Aldermen equal to the number of wards into which the city shall, at the time of their nomination and election, be divided.

"(2.) Such by-law shall provide:—

"(a.) That the Mayor and members of the Board of Control shall be nominated and elected from the city at large;

"(b.) That one Alderman shall be nominated and elected from each of the wards respectively into which the city shall at the nomination and election thereof be divided;

"(c.) That the Mayor and Aldermen shall hold office for the length of time hereinbefore provided by this Act.

"(d.) That the members of the Board of Control shall hold office as follows:—

"At the first election the member who received the highest number of votes and the member who

received the second highest number of votes shall continue in office for two years from the date of their election, and from that time onward until their successors shall have been elected; and the two members who receive respectively the third and fourth highest number of votes shall continue in office for one year from the date of their election, and from that time onward until their successors shall have been elected.

"In each year succeeding the said first election of such last-mentioned members there shall be elected as many members of said Board as shall be necessary to fill the places of the members whose terms of office then expire, so as to complete or continue the full complement of four members, and such members as are elected in each succeeding year shall hold office for two years from the date of their election, and from that time onward until their successors shall have been elected.

"In case of a tie at any such election the Returning Officer shall have a casting-vote.

"(3.) Candidates for the office of Controllers shall be nominated and elected at the same time and in the same manner as candidates for the office of Mayor and nominated and elected, and the provisions of this Act providing for the nomination and election of Mayor, including qualifications, disqualifications, controverted elections, election by acclamation, and filling of any vacancy that may occur in the said office, shall, except as otherwise provided herein, *mutatis mutandis*, apply to the nomination and election of Controllers.

"Candidates for the office of Mayor and Aldermen shall be nominated and elected at the same time and in the same manner as candidates for the office of such Mayor and Aldermen are nominated and elected under this Act, and the provisions of this Act providing for the nomination and election of Mayor and Aldermen, including qualifications, disqualifications, controverted elections, election by acclamation, and filling of any vacancy that may occur in any such office, shall, except as otherwise provided herein, *mutatis mutandis*, apply to the nomination and election of such Mayor and Aldermen.

"(4.) The Council may fix by by-law hereinbefore mentioned the salary to be paid to the members of the Board of Control.

"(5.) While sitting in Council each Alderman and each Controller shall have one vote, and the Mayor shall have a casting-vote.

"234. (1.) The Board of Control shall be the executive committee of the Council, three members of which shall constitute a quorum, and the Board shall hold daily meetings at such times as may be provided by the by-law hereinbefore mentioned; and it shall be the duty of said Board of Control as such executive committee:—

"(a.) To prepare an estimate of the proposed expenditure of the year and submit same to the Council for its consideration. The Council shall not appropriate or expend, nor shall any officer thereof expend or direct the expenditure of, any sum or sums not included or provided for by such estimates or by any special estimates duly certified by said Board without the affirmative vote of the majority of the members of the Council present and voting authorizing such appropriation or expenditure; but this provision shall not extend to the payment of any debenture or debts or liability lawfully contracted and payable or to the interest thereon;

"(b.) Subject to the approval of the Council, prepare specifications for and award all contracts, and for all purposes to call for all tenders for works, materials, and supplies, implements or machinery, or any other goods or property for the use of the city, and to report their action to the Council at its next regular meeting. Upon the opening of any tenders the Board shall require the presence of the head of the department or sub-head of any department with which the subject-matter of such tender is concerned, and also of the City Solicitor if necessary;

"(c.) To inspect and report to the Council, when requested by it, upon all municipal works being carried on or in progress within the city;

"(d.) Subject to the approval of the Council, to appoint heads of departments and sub-departments, and, after a favourable report by the head of a

department, clerks of departments and sub-departments, or in the case of an appointment of a head of a department or sub-department, after a favourable report by the head of the department or such person who may have been temporarily appointed to act in that capacity, and to recommend the salaries to be paid to such heads of departments, sub-departments, and clerks, and the Council shall pay such salaries as shall be recommended as aforesaid:

“(e.) To suspend or recommend for dismissal any head of a department or sub-department, clerk, or employee, and to report such suspension to the Council. Where any head of a department has been suspended by the Board, he shall not be reinstated by the Council unless by a majority of the members of the Council present and voting:

“(f.) To prescribe by regulation or resolution the duties of all officers, assistants, and employees, servants, or workmen as may be appointed, engaged, or employed by the city.

“(2.) The Council may by by-law or resolution impose upon or assign to the Board of Control such other duties as to the Council may seem meet.

“(3.) In all cases where it is sought to reverse, set aside, or vary the action of the Board of Control, or where a majority of the members of the Council present and voting is required for any purpose, the votes of yeas and nays shall be recorded in the minutes of the Council.

“(4.) The Board of School Trustees, the Board of Police Commissioners, and the Board of Management of the Public Library of the city, respectively, and all other governing boards of the city now or hereafter to be constituted, shall furnish to the said Board of Control, on or before the first day of February in each year, their several and respective annual estimates.

“(5.) Notwithstanding anything in this Act contained, the duties herein assigned to the Board of Control shall be discharged exclusively by the said Board.

“235. (1.) Sections 233 and 234 shall not come into force unless and until the Council shall, before the final passage of the by-law required by the said section, submit the said by-law to the electors entitled to vote for money by-laws under section 103 of this Act and amendments thereto, in the same manner, as to giving notice thereof and taking the vote, as is provided for the submission of money by-laws by said section 103 and amendments thereto.

“(2.) Upon the receipt of the returns of the votes cast, the City Clerk shall add up the votes, and if it appears from such returns that the votes cast for such by-law be three-fifths of the votes of the poll, the City Clerk shall declare such by-law carried, otherwise he shall declare it lost. In the event of such by-law being carried, the Council shall finally pass such by-law.”

DOMINION ORDERS IN COUNCIL.

[2729.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 30th day of October, 1914.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 21st October, 1914, from the Acting Minister of the Interior, submitting that Mr. Albert E. Raab and Mr. Angus H. McLeod went into occupation in the year 1891, before survey, of land on the Similkameen Pack-trail in the neighbourhood of Hope, B.C., which when surveyed was found to comprise the West Half of the North-west Quarter of Section 6, Township 4, Range 24 west 6th meridian, and the East Half of the North-east Quarter of Section 1, and the South-east Quarter of Section 12, Township 4, Range 25, west 6th meridian;

That the records at the Dominion Land Agency at New Westminster show that application to ac-

quire this location was made by them to the Dominion Land Agent on the 2nd March, 1892, in a communication in which they set forth that they had been living on the land since the preceding summer and claimed to have spent about \$600 in trying to drain and improve the land and asking that surveys be made. Owing to lack of surveys the matter of dealing with their application was deferred. They took up the question of survey from time to time, but it was not until the year 1911 that the surveys were completed;

That under date 16th September, 1901, the Agent reported that according to his latest information these parties continued to improve the property, but that owing to the distance of the land from Hope (about fourteen miles), which was the nearest point at which there were surveys, and also because there was not much valuable land there, he has not pressed for a survey. The land was removed from other settlement and was of very little value, which explains the reason for the long delay in securing survey. According to the evidence filed, these parties remained in continuous residence for ten years, until 1901, draining and improving the property;

That after survey the claim of Mr. Angus H. McLeod was dealt with in 1912, and homestead entry and patent granted to him for the said West Half of the North-west Quarter of Section 6 and the East Half of the North-east Quarter of Section 1, there being improvements on the land worth about \$1,875. The work it was claimed was done jointly by the applicants, and Mr. A. E. Raab, during the ten years' residence, lived on the land which became the homestead of Mr. Angus H. McLeod;

That the land was drained by the construction of ditches, making a considerable area valuable as hay lands, for which purpose the reclaimed area was mainly used. On the 21st June, 1911, the Homestead Inspector reported that there was on the Raab claim three-quarters of a mile of ditch, and that in addition about 12 acres had been cleared of brush;

That when the claim of Mr. McLeod was settled in 1912, under the homestead law, the claim of Mr. Raab was not similarly disposed of, since the residence on the McLeod claim could not technically be credited to Mr. Raab as residence on his own homestead, hence his claim could not be dealt with under the ordinary homestead regulations, but it is considered that the participation of Mr. Raab in the work and improvements, his long residence on the McLeod claim, the reclamation-work and improvements done on the South-east Quarter of Section 12, and the circumstances of the whole case, which are of a special nature, give him a moral claim to consideration;

The Minister therefore recommends that Mr. Albert E. Raab be permitted to acquire title to the said South-east Quarter of Section 12, Township 4, Range 25, west 6th meridian, by purchase, at the rate of \$1 per acre.

The Committee concur in the foregoing, and submit the same for approval.

RODOLPHE BOUDREAU,

no19

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 15th day of October, 1914.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

HIS Royal Highness in Council is pleased to order and it is hereby ordered that Orders in Council dated 17th September, 1889, 1st August, 1896, and 9th April, 1897, establishing regulations for the disposal of hay on Dominion and school lands in the Provinces of Manitoba, Saskatchewan, and Alberta, and in the Railway Belt in the Province of British Columbia, be rescinded, and that the regulations hereto attached be substituted therefor.

His Royal Highness in Council is further pleased to order that the attached regulations shall also apply to the Peace River Tract in the Province of British Columbia, under the control of the Dominion Government.

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

PERMITS TO CUT HAY.

Permits to cut hay may be granted by any Crown Timber Agent or other officer appointed for the purpose by the Minister of the Interior upon any vacant Dominion or school lands at the disposal of the Crown, and permits thus granted shall vest in the permittee exclusive rights of ownership as to the hay authorized in his permit upon the land described therein, subject to the rules and regulations of the Department at the time in force.

Applications for permits to cut hay may be received on or after the 1st day of April in each year, and permits thereon may be issued on or after the 1st day of May. No permit shall issue to a person to cover more than one quarter-section, but more than one permit may be issued to the same person on other quarter-sections of land, but in no case

shall be receive permits for a greater amount of hay than 3 tons per head for the stock of which he is the sole owner.

If, before the 1st day of May, more than one permit is applied for covering any quarter-section of land or fraction thereof, whereon there is not sufficient hay to meet the demands, the Agent, if he cannot arrange a division thereof to suit the several applicants, shall issue a notice to them calling for tenders for the purchase of the hay upon such land, up to the quantity each is entitled to receive, and thereafter shall issue a permit to the person paying the highest cash bonus over and above the ordinary dues. If the land yields a greater amount of hay than would be covered by the permit issued, a second permit may be granted to the next highest tenderer, at the price tendered by him, but his right to cut shall not commence until after fifteen clear days from the date of the first permittee's right to commence cutting. In like manner a third and fourth permit may be granted, if a further supply of hay can be obtained on the land, cutting to commence only on date fixed in the permits.

A hay permit shall vest in the permittee the exclusive right of ownership to the quantity of hay mentioned in the permit upon the land described therein, and he shall be deemed to be in the exclusive possession of the land described in such permit, except in cases where other permits are issued for the cutting of hay upon the same land, and in such cases the several permittees shall be deemed to be in the exclusive possession of such portions of the land as may be necessary to cut the hay granted to them respectively.

A second or more permits may be issued to any other person or persons entitled to receive the same, allowing such person or persons the right to cut a certain quantity of hay upon the land described in the first permit, and such person or persons shall, on the day fixed by such permit or permits to commence cutting, have the same right to enter upon the said land for the purpose of cutting and removing the quantity of hay mentioned in his or their permit, and may bring and maintain an action for trespass against any person or persons interfering with his or their rights in the same manner as the first permittee may bring such action. This clause shall not give the holder of any permit the right to interfere with the holder of any other permit on the same land.

No hay shall be cut prior to date to be fixed each year by the Minister of the Interior, which date may vary according to whether the season is early or late.

The applicant will be required to pay a permit fee of 50 cents in connection with each permit issued. The rates chargeable for hay to actual settlers who require the same for their own use is 10 cents per ton, and to others than actual settlers 50 cents per ton, to be paid in full at time of application, in addition to which an office fee of 50 cents is charged with the issue of each permit. Where there is not hay in excess of the demands of the actual settlers on any parcel of land, the right to acquire permits is to go first to the actual settler.

The Agent may, in his discretion, issue a permit for hay in sparsely settled districts where the rights of individual settlers will not be prejudicially affected, covering one or more sections of land, which, in his opinion, is necessary to obtain the quantity of hay required to meet the needs of the applicant.

LEASES TO CUT HAY ON DOMINION LANDS.

A settler in the vicinity of unoccupied hay lands who is the owner of at least ten head of stock may obtain a lease for an area thereof not exceeding one-fourth of a quarter-section, or 40 acres, for such term and at such rent as the Minister deems expedient; but such lease shall not operate to prevent, at any time during its term, the sale or settlement of the land, and in the case of such sale or settlement the lessee shall be paid by the purchaser or settler, for fencing or other improvements made, such sum as the local agent determines; and the lessee shall be allowed to remove any hay he has cut.

LEASES TO CUT HAY ON SCHOOL LANDS.

Leases of school land in Alberta, Saskatchewan, and the North-West Territories, for the purpose of cutting hay thereon, may be issued for a term not exceeding five years; provided that a lease shall not issue to any person for more than a section or less than a quarter-section, and that such lease shall be revocable at any time it may be deemed advisable by the Minister of the Interior to offer the land so leased for sale by public auction in the interests of the school endowment or for any other reason, and that in such case the lessee shall receive three months' notice of the intention of the Minister to terminate the lease, but shall not be entitled to compensation for any improvements made by him; and, further, that in case of there being only one applicant for the lease of a school section, or any part thereof, the rental shall be at the rate of 25 cents per acre per annum, but where there is more than one applicant for such lease it shall be put up for tender at an upset rental of 25 cents per acre per annum, which would be the product of a minimum price of \$5 per acre, provided the money were invested at 5 per cent. per annum.

CUTTING HAY WITHOUT AUTHORITY.

The permit or lease shall describe the lands upon which the hay may be cut, and shall during its continuance vest in the permittee or lessee the exclusive right of ownership to the hay upon such lands, whether such hay is cut by his authority or by any person without his authority, and such permit or lease shall entitle the permittee or lessee to seize in replevin, revendication, or otherwise, as his property, such hay where the same is found in possession of any unauthorized person, and also to bring any suit or action against any person unlawfully in possession of such hay, and to prosecute all persons cutting hay in trespass upon the land covered by the permit or lease to conviction and judgment and to recover damages (if any), and all proceedings pending at the expiration of any such permit or lease may be continued and completed as if the permit or lease had not expired. The holder of a permit may bring and maintain actions for trespass committed at any time before the expiry of his permit upon the land described therein. no19

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 28th day of October, 1914.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 22nd September, 1914, from the Acting Minister of the Interior, submitting that under the several regulations for the disposal of mining rights, the property of the Crown, in Manitoba, Saskatchewan, Alberta, the North-West Territories, the Yukon Territory, and within certain prescribed areas in the Province of British Columbia, provision is made for the payment of rental, the installation of machinery, or the expenditure of certain amounts in prospecting, developing, and operating the location so acquired. In case the rental is not paid, the machinery installed, or the prescribed expenditure incurred, the rights acquired under such regulations are subject to immediate forfeiture;

The Minister states that representations have been made to the Department of the Interior that certain holders of mining rights under the regulations have been accepted for active service in the defence of the Empire during the present war, and have left or are leaving the country on such service:

The Minister therefore recommends that any person who may be accepted for and continues in active service in the defence of the Empire during the war, whether with the British or allied forces, and who is the holder of mining rights acquired under the provisions of any of the mining regulations, shall be permitted to hold such rights free from the risk of cancellation owing to failure to comply with any of the requirements of the regula-

tions under which the rights were acquired, until six months after the final termination of the war and the final declaration of peace, in so far as the British Empire is concerned.

The Committee concur in the foregoing and submit the same for approval.

PRIVATE BILL TO VALIDATE BY-LAWS NUMBERED 4 AND 19 OF THE CORPORATION.

NOTICE is hereby given that application will be made to the Legislative Assembly of the Province of British Columbia at the next Session thereof to be held at the Parliament Buildings, Victoria, British Columbia, for an Act to validate the provisions of the above-mentioned by-laws, by reason of a defect therein, owing to the fact that no Construction By-law had been passed by the Council authorizing the work for which the money referred to in the said by-laws was voted by the Council of the Corporation of the District of West Vancouver. The Money By-laws, therefore, passed by the Council of the District of West Vancouver and which were submitted to and sanctioned by the ratepayers, are in doubt, and notice is therefore given that the Legislature will be asked to sanction and validate the said by-laws notwithstanding such defect.

Dated at Hollyburn, West Vancouver, B.C., this 21st day of November, 1914.
